# The Weekly Bulletin

Of Newspaper and Periodical Literature.

"Though index-learning turns no student pale, it holds the eel of science by the tail."—POPE.

## A Want Supplied.

The WEEKLY BULLETIN is a guide in the vast field of periodical literature, an indispensable tool for scientific and literary men, for artists, inventors, mechanics, physicians, lawyers, and cultivated persons generally.

Of the making of reading matter in the periodical press — daily, weekly, monthly, quarterly, etc., — there is no end. No one can possibly examine even the smallest fraction of the quantity furnished; yet there is valuable and important matter in each of the periodicals published.

The BULLETIN is an index to all these periodicals; it tells its reader what articles they contain, and describes the articles in a way to enable him to judge whether he is interested in any portion of their contents.

People interested in reform subjects or discussions — social, political, ethical, or literary — will find the BULLETIN extremely useful. Everything contributed to these discussions is impartially mentioned, and when needful, briefly described.

Here are our departments. Literature, Art, Science, Applied Science, Industry, Sociology, Ethics, Psychology, Philosophy, History, Poetry, Fiction, Anthropology and Archaeology, Men and Manners, Politics, Political Economy, Law, Biography, Medicine, Hygiene, Gardening, Agriculture, Adventure, Music and Drama, Religion, Education, Travel, Description of Places, and Miscellany.

Besides these permanent divisions, the BULLETIN has a separate department for "Questions of the Day"; just at present the Presidential campaign and World's Fair are the subjects therein catalogued.

The BULLETIN catalogues no less than 1,400 different articles each week.

Publishers, librarians, editors, journalists, professors, teachers, clergymen, lawyers, have endorsed and welcomed the BULLETIN. It is the capstone of journalism.

## How to Secure Articles Catalogued in the Bulletin.

Order by number, and send the money to J. MORRISON-FULLER,  
5 Somerset Street, Boston, Mass.

One article . . . . .	10 cents.
One article marked * . . . . .	20 cents.
One article marked † . . . . .	30 cents.

Or use his coupons for convenience in mailing, ten cents each, NINE DOLLARS PER HUNDRED. One or a dozen of these can be enclosed in envelope, and return mail will bring your weekly "magazine" — selected from hundreds — to your table.

*Sample copies sent free. Apply at once.*

# THE NEW WEBSTER'S DICTIONARY

A GRAND INVESTMENT FOR FAMILY OR SCHOOL.

The authentic "Unabridged," comprising issues of 1864, '79 and '84, (copyrighted) has been Revised and Enlarged, and is called **WEBSTER'S INTERNATIONAL DICTIONARY.** The work of revision occupied 10 years, 100 editors being employed, and \$300,000 expended. Sold by all Booksellers. Descriptive Pamphlet free.

Caution is needed in purchasing a dictionary, as photographic reprints of an obsolete and comparatively worthless edition of Webster are being marketed under various names and often by misrepresentation.

## WHAT EDUCATIONAL PAPER SHALL I TAKE?

This is a question frequently asked of Superintendents and Principals by teachers of all grades.

Mr. C. J. POTTS, Superintendent of Public Schools for Bedford County, Penn. answers this question very positively for the teachers of his county. He says:

"I have been a close reader of the 'Journal of Education,' and find in it more food for thought, and a wider range of educational topics discussed, than in any other educational paper that it has been my privilege to read."

## THE JOURNAL OF EDUCATION,

the paper referred to in the above testimonial, is edited by A. E. WINSHIP, and is published weekly, 16 pages, at \$2.50 a year (only 5 cents a week).

The leading articles in each issue are by the ablest educators from all parts of the country. The department of *methods*, a regular feature, contains a vast amount of every-day, practical matter for teachers of all grades. A four-page supplement to the Journal is published monthly, containing the "New York State Uniform Examination Questions and Answers."

**TRIAL TRIP.** We will send you the JOURNAL on trial five months for \$1.00.

# Books for Law Students.

---

**Introduction and Review** :— *Ewell's Essentials of the Law* is still by far the best epitome for a student. 3vols. Sheep, \$7.50 ; leatherette, \$6 00.

Vol. 1. Blackstone, separately. Sheep, \$3.00 ; leatherette, \$2.50.

Vol. 2. Pleading, Contracts, Equity. Sheep, \$2.50 ; leatherette, \$2.00.

Vol. 3. Evidence, Torts, Real Property. Sheep, \$2.50 ; leatherette, \$2.00.

**Evidence** :— Chamberlayne's New International Edition (1893) of *Best's Principles of Evidence* (\$5.00) is the most satisfactory book on that topic.

<u>Sales of Personal Property</u>	} <i>Irving Browne's</i> Students' books on these topics are clear, concise, and sound. Price for each volume, \$2.50 in sheep, or \$2.00 in leatherette.
<u>Domestic Relations.</u>	
<u>Criminal Law.</u>	

**Wills** :— No other book can compare in any degree, for students' use, with *Schouler on Wills* (\$5.50). In practice, with *Schouler on Executors*, it forms a good probate library.

**Contracts** :— The good old-fashioned reliable Massachusetts book is *Metcalf on Contracts* (\$3.50).

**Equity Pleading** :— There is nothing so good on this topic as *Heard's Equity Pleading*. Sheep, \$2.50 ; leatherette, \$2.00.

**Common Law Cases** :— *Indermaur's Epitome of Leading Cases* contains practically all of Smith's Leading Cases. Cloth, \$1.50.

*Do not fail to see and read every number of THE GREEN BAG, as a professional stimulus and forensic aid.*

*If you want any law books, new or second hand, come around the corner and examine our stock.*
